Karm Gill

Video Editor, Videographer & Social Content Creator

Filmmaker and content creator with six years of hands-on work across nonprofit social media, music news and professional wedding videography. Built the Canadian Courage Project's Instagram from zero to 4,000+ followers while leading a 30-person volunteer team, and researched, wrote and designed music news content for the music account Offrecordsounds. Works mainly in Premiere Pro, After Effects and the Adobe Creative Suite, with a long-term goal of working in Canadian film and television.

EXPERIENCE

Social Media Content Lead

Jul 2020 to Present

Canadian Courage Project, Toronto, ON / Remote

Started as a volunteer content creator and moved into a paid lead role in April 2022.

- Built the organization's Instagram from scratch to 4,000+ followers with 500+ posts on youth and animal welfare
- Lead a team of 30 volunteers through weekly content meetings and hands-on mentoring
- Take content from concept, scripting and storyboarding to finished posts and video across Instagram, TikTok, YouTube, X and Facebook
- Plan campaigns, schedule posts and keep the brand consistent across every platform
- Work with internal teams and stakeholders to deliver content on deadline, introducing new visual styles and formats
- Keep organized archives of media assets so past campaigns can be found and reused quickly

Curator & Content Creator

May 2025 to Oct 2025

Offrecordsounds, Remote

- Researched, wrote and designed music news posts and carousels for the account's Instagram
- Supported publishing schedules and content rollouts across platforms
- Created promo content for up and coming artists while keeping every post in the account's established style

Summer Content Creator

Jun 2025 to Sept 2025

Legacy of Hope Foundation, Remote

- Helped design *If the Land Could Speak*, the foundation's online curriculum site for lessons, maps and teacher resources
- Scripted and edited video content for the foundation's YouTube channel
- Created informational materials for the foundation's website

Videographer & Editor

Apr 2024 to Sept 2024

Cinéverse Canada, Vaughan, ON

- Shot and edited wedding and branded films on DSLR and cinema cameras
- Handled production end to end: planning, storyboards, filming, lighting setup and audio capture
- Edited, colour graded and sound designed in Premiere Pro and After Effects, delivering client-ready films on tight timelines
- Worked directly with clients and kept project files organized for easy retrieval and reuse

Accounts Receivable Analyst

Sept 2025 to Present

Broadridge Financial Solutions, Toronto, ON

- Manage receivables for a large client portfolio and prepare monthly payment reports
- Resolve billing issues directly with clients and reworked how files and records are organized
